| **KEEPERS OF THE FUTURE**         | 24 minutes • 7-12, College, Adults | $225     | $75              |
| Following El Salvador’s civil war, a farmers’ cooperative puts down roots, builds resilience and provides a model of how to mitigate climate change and resist unsustainable, extractive development. |

| **FROM SEED TO SEED**             | 87 minutes • 8-12, College, Adults | $350     | $95              |
| Follows several Manitoba-based farming families of various scales in order to document the growing global momentum of ecological agriculture practices and techniques. |

| **LET THEM EAT DIRT**             | 58 minutes • 10-12, College, Adults | $295     | $85              |
| Based on the book “Let Them Eat Dirt” by B. Brett Finlay, PhD & Marie-Claire Arrieta, PhD, this film connects with families, researchers, and doctors to sleuth out what’s harming our microbiota and learn what we can do to reverse the trend. |

| **G IS FOR GUN: The Arming of Teacher's in America** | 27 minutes • 10-12, College, Adults | $225     | $85              |
| Explores both sides of the highly controversial trend of armed faculty and staff in America’s K-12 schools, using one Ohio school district’s program as a case study. |

| **GLADESMEN: The Last of the Sawgrass Cowboys** | 86 minutes • 10-12, College, Adults | $350     | $95              |
| In a classic battle of competing interests, gladesmen and their airboats are being banned from Everglades National Park as part of the world’s largest attempt to restore and preserve a damaged ecosystem. |

| **THE MEDICINE IN MARIJUANA**     | 35 minutes • 6-12, College, Adults | $275     | $85              |
| Based on the 2017 NAS report about the effectiveness of cannabis for treating the effects of chemotherapy, chronic pain, epilepsy, and PTSD, this film features the stories of patients, practitioners and researchers. |

| **GUARDIAN**                      | 76 minutes • 7-12, College, Adults | $350     | $95              |
| Against the backdrop of British Columbia’s spectacular Great Bear Rainforest, Guardians and the salmon they monitor are victims of science censorship and reckless Canadian extractive industries. |

| **GLADESMEN**                     | 86 minutes • 10-12, College, Adults | $350     | $95              |
| In a classic battle of competing interests, gladesmen and their airboats are being banned from Everglades National Park as part of the world’s largest attempt to restore and preserve a damaged ecosystem. |

| **GLADESMEN**                     | 86 minutes • 10-12, College, Adults | $350     | $95              |
| In a classic battle of competing interests, gladesmen and their airboats are being banned from Everglades National Park as part of the world’s largest attempt to restore and preserve a damaged ecosystem. |

| **MY COUNTRY NO MORE**            | 70 & 54 minutes • 9-12, College, Adults | $350     | $95              |
| Explores the rise and fall of the North Dakota oil boom through the intimate lens of one family fighting for their agricultural way of life. |
THE SEQUEL 61 minutes • Grades 7-12, College, Adults
Looks at the influential work of David Fleming, who dared to re-imagine a thriving civilization after the collapse of our current mainstream economies and inspired the Transition Towns movement.
Purchase $295, Classroom Rental $85

POWER TO HEAL: Medicare & the Civil Rights Revolution
56 minutes • Grades 9-12, College, Adults
The untold story of how the twin struggles for racial justice and healthcare intersected: creating Medicare and desegregating thousands of hospitals at the same time.
Purchase $295, Classroom Rental $85

PLANE TRUTHS
33 minutes • Grades 10-12, College, Adults
The “Pivot to Asia” causes an increase in activity at the Naval base on Whidbey Island, WA, making life unbearable for locals and wildlife—collateral damage in the ever increasing militarization of our society.
Purchase $225, Classroom Rental $85

THE PROVIDERS
82 minutes • Grades 10-12, College, Adults
Three healthcare providers offer care to those living on the margins in a rural New Mexico community struggling with a shortage of doctors and the ravages of the opioid epidemic.
Purchase $350, Classroom Rental $95

REDEFINING PROSPERITY
57 minutes • Grades 7-12, College, Adults
The story of how a California mining town recovered from its legacy of pollution and prospered by building community around the battle to save the Yuba River.
Purchase $295, Classroom Rental $95

A SILENT TRANSFORMATION
70 & 54 minutes • Grades 9-12, College, Adults
The transformative power of the cooperative enterprise model is illustrated with many inspirational examples from communities across the province of Ontario, Canada.
Purchase $350, Classroom Rental $95
THIS IS HOME: A Refugee Story
91 minutes • Grades 10-12, College, Adults
Sundance award-winner puts a human face on the global refugee crisis, providing an intimate portrait of four Syrian refugee families arriving in the US and struggling to find their footing.
Purchase $350, Classroom Rental $95

UNA PAZ AUDAZ
89 & 57 minutes • Grades 7-12, College, Adults
This is the Spanish-language version of our award-winning 2017 release A Bold Peace, which details the history of Costa Rica’s demilitarization efforts.
Purchase $350, Classroom Rental $95

WHO’S NEXT?
88 minutes • Grades 5-12, College, Adults
WHO’S NEXT? examines how the lives of Muslim-Americans have been affected in the aftermath of the September 11th terrorist attacks, focusing on six American Muslim families.
